

An ISO9001:2015 Machinery Builder

Our Quality Policy

- Fully meet our customers, other stakeholders and interested parties requirements.
- To support our customers at all times and to be easy to deal with.
- Comply with all applicable legal requirements and codes of practice.
- Mitigate hazards, prevent injury, ill health and respect the environment.
- Provide all the resources of equipment, trained and competent staff to enable these objectives to be met.
- Operate a management system that will achieve these objectives and seek continual improvements

Nick Brooks
Managing Director
